

# LATEST NEWS ON EARTHQUAKE RECONSTRUCTION PROJECT

Laxmi Pratisthan Family has been trying to relieve the wounds of needy and helpless earthquake victims through various activities. Laxmi Pratisthan immediately took various action to help the earthquake victims. More than 40,000 people of 6 different districts were reached by the relief action of Laxmi Pratisthan.

As most of the houses were destroyed by the quake rendering them beyond repair. Laxmi Pratisthan concentrated its activities towards their rehabilitation with the construction of permanent and feasible houses for victims.

Laxmi Pratisthan started the rebuilding project, which is aimed for supporting the earthquake victims of Siwalaya V.D.C in Kavre district. The first phase of reconstruction has already started in which 25 houses are currently under construction.

The earthquake occurred on 25th April 2015 in Nepal killed more than 13,000 people and injured more than 23,000. It was one of the worst natural disasters to strike Nepal since the 1934 Nepal-Bihar earthquake. Laxmi Pratisthan Family has been trying to relieve the wounds of needy and helpless earthquake victims through various activities.

the local will be applied. The direct participatory approach has proved to be efficient and sustainable since the feeling of ownership will be developed among beneficiaries. Our vision is to create a community village, which can set an example for the development and restoration of other villages elsewhere in the country.

**F**or the reconstruction of houses for victims, we have conceived the house using the reusable materials from the collapsed houses so that it can be economically viable. We have been using prefab boards for the rebuilding houses as it is very light, economical and earthquake friendly. The direct participatory approach with

An elderly woman shares her experience of living style now and before, "It became hard to live, as house was destructed and we were forced to live in tarpaulin. People, especially children and elderly people started getting ill. But the situation has improved now as we have proper house to live in. We are thankful to Laxmi Pratisthan and all supporters.
